If you think your 830 to 930 will be over at 930. Let's try to connect 930 to 10 Denver time. That would get me out of here at 9 my time.

I've been looking at the IGCE that you sent me a couple of weeks ago. Can we talk tomorrow AM - maybe ~9:30 or 10:00 AM Denver time?

The IA has hit our books. As soon as the funds are in the system we can start issuing WAF.

One more step down.
